MULTI FUNCTION SHOWER | MF-MRDW

The Multi Function Shower | MF-MRDW is a sophisticated addition to any bathroom, offering a range of features designed for an enhanced and luxurious shower experience.

TECHNICAL DETAILS

3 Function of MFS-MRDW Multifunction Shower :

- Rain Shower: Experience the luxurious sensation of Rainfall(311 nozzles) equipped with silicone nozzles for effortless cleaning.
- Dual Waterfall: Enjoy convenience with two-way waterfall showers for full-body coverage.
- Mist Shower: Feel the bliss with 4 Mist Showers.

Product Specification :

- Panel Body Material: Crafted from durable Mirror Finish Stainless Steel 304 & Brass Parts
- Dimensions: Multifunction Shower body size 600mm x 520mm

Technical Details:

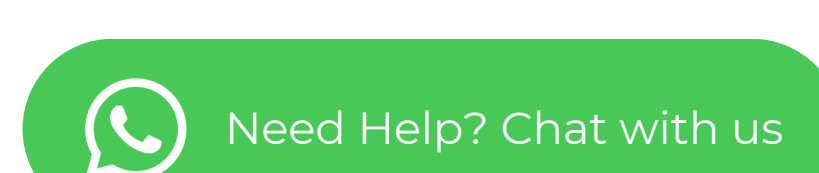

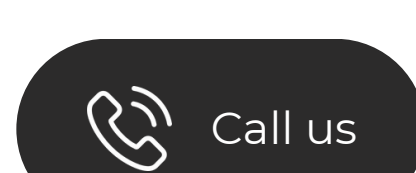

- Water Pressure: Requires a minimum of 3 bar pressure; recommend a 1HP to 1.5HP pressure pump for low water pressure situations. Pressure Pump is not required if the distance between your bathroom and overhead tank is more than 80 feet, as it will create natural pressure.
- Panel Tested: We test products @ 4 Bar.
- Ideal Geyser Capacity: More than 20 litre is recommended

CARE & CLEANING TIPS

- Cleaning: Use only water for cleaning the surface; avoid using any chemical cleaners.
- Water Caution: Avoid exposure to High TDS (Total Dissolve Solids) water. The TDS Level Recommended by WHO, however it should be less than 300 ppm (parts per million)
