### Spout

### Mixer & Diverter

4-Way Function

## SHOWER MIXER SET | BLACK

The Shower Mixer Set | Black is a sophisticated addition to any bathroom, offering a range of features designed for an enhanced and luxurious shower experience.

### TECHNICAL DETAILS

#### 3 Functions of Shower Mixer Set | Black:

- Shower Head: Experience a refreshing shower with a 9" ABS shower head, featuring easy-to-clean silicone nozzles for a luxurious shower experience.
- Hand Shower: ABS hand shower with One-Click Control 3-way functions (Massage - Rainfall - Rainfall & Massage) for a personalized and invigorating shower. Comes with an adjustable zinc bracket in matte black for added convenience.
- Spout: Brass pop-up spout ensures a gentle and consistent water flow, ideal for filling tubs or basins. Durable and easy to operate.

#### Product Specification:

- Faucet: Brass body with a durable zinc handle for precise control over water flow and temperature.
- Finish: Elegant matte black finish for a sleek, modern look.
- Hose: Flexible 1.5M stainless steel hose with a sleek matte black finish for ease of use and durability during your shower.
- Holder: Adjustable zinc bracket in matte black for the hand shower, providing convenience and flexibility.

#### Technical Details:

- Water Pressure: Requires a minimum of 2 bar pressure; recommend a 0.5 HP pressure pump for low water pressure situations. Pressure Pump is not required if the distance between your bathroom and overhead tank is more than 50 feet, as it will create natural pressure.
- Panel Tested: We test products @ 4 Bar.
- Ideal Geyser Capacity: More than 20 litre is recommended

### CARE & CLEANING TIPS

- Cleaning: Use only water for cleaning the surface; avoid using any chemical cleaners.
- Water Caution: Avoid exposure to High TDS (Total Dissolve Solids) water. The TDS Level Recommended by WHO, however it should be less than 300 ppm (parts per million)
